

National Weather Service – Alaska Region Web Transition

The following offices will be migrating from servers located at the Alaska Region Headquarters to a nationally supported infrastructure. Sites not affected by the change are the National Tsunami Warning Center, Alaska Aviation Weather Unit and Volcanic Ash Advisory Center.

Weather Forecast Offices:

- **Anchorage:**
 - <http://pafc.arh.noaa.gov/> will become <http://weather.gov/Anchorage>
- **Fairbanks:**
 - <http://pafg.arh.noaa.gov/> will become <http://weather.gov/Fairbanks>
- **Juneau:**
 - <http://pajk.arh.noaa.gov/> will become <http://weather.gov/Juneau>

River Forecast Centers

- **Alaska / Pacific River Forecast Center:**
 - <http://aprfc.arh.noaa.gov/> will become <http://weather.gov/aprfc>

Central Weather Service Units

- **Anchorage:**
 - <http://cwsu.arh.noaa.gov/> will become <http://weather.gov/zan>

Miscellaneous:

- **Fire:**
 - <http://firewx.arh.noaa.gov/> will become <http://weather.gov/arh/fire>
- **Alaska Region Headquarters:**
 - <http://www.arh.noaa.gov/> will become <http://weather.gov/arh>
