

Storm Data and Unusual Weather Phenomena - November 2015

Location	Date/Time	Deaths & Injuries	Property & Crop Dmg	Event Type and Details
----------	-----------	-------------------	---------------------	------------------------

TEXAS, North

TARRANT COUNTY --- 1.4 ESE HODGE [32.79, -97.33], 1.9 ESE FT WORTH BLUE MND AR [32.84, -97.30]

	11/05/15 16:08 CST		0.12M	Tornado (EF0, L: 3.87 mi , W: 40 yd)
	11/05/15 16:14 CST		0	Source: NWS Employee

A small tornado began just after 4 PM just north of downtown Fort Worth. The tornado produced a small, yet long damage swath through the north side of the City of Fort Worth, damaging several businesses. The tornado damaged the roof of the BBVA Compass Bank building near I-35W and Meacham Blvd. Moving north the tornado then damaged part of Five Star Ford Collision Repair near I-35W and Loop 820. The tornado picked up a loose truck bed from the repair shop and tossed it about a quarter mile onto Loop 820.

DENTON COUNTY --- 1.0 NE SANGER LANE ARPT [33.38, -97.14]

	11/05/15 16:34 CST		1K	Lightning
	11/05/15 16:34 CST		0	Source: Newspaper

Lightning started a house fire on Harvest Moon Lane in Sanger. The fire was quickly extinguished with minimal damage to the home.

An elderly woman was swept away in her car by floodwaters early Friday morning along Deer Creek in far southern Tarrant County . Her body was found inside the car about a mile downstream from the bridge where she was overcome by floodwaters. One deputy attempted to rescue the woman but was herself swept away by the swift waters. The deputy was rescued after clinging to a tree for a couple of hours.

Direct Fatalities: F76IW

TARRANT COUNTY --- 1.6 WNW EAGLE [32.99, -97.54], 4.3 SSW WHEATLAND [32.56, -97.54], 4.7 SE WEBB [32.58, -97.01], 4.5 NE GRAPEVINE [32.98, -97.04]

	11/27/15 13:00 CST		0	Source: Mesonet

Several high water crossings remained closed and barricaded per the Dallas Alert Gage Network after several inches of rain fell in the county . A social media report indicated that the intersections of Brand/ Campbell roads and Pleasant Valley/Miles Roads were closed due to high water. Multiple news media sources reported that a 29 year old man drowned when his car was overcome by floodwaters after either driving around a barricade, or not knowing a barricade was in place to indicate closure of Campbell Road near Brand Road due to flooding. This area was flooded due to the Rowlett Creek rising into major flood stage. Another high water rescue was performed near Highway 190 and Brand Road in northeast Garland, TX.

Direct Fatalities: M29VE

11/29/15 09:00 CST	0	Flood (due to Dam / Levee Break)
11/30/15 23:59 CST	0	Source: Emergency Manager

Emergency management reported flooding due to a levee breach along the Trinity River south of highway 34.

An Arctic cold front pushed south through north Texas Thanksgiving night through the following morning. Showers and thunderstorms accompanied the front, then continued through the weekend as a strong overrunning pattern remained in place after the front moved through the area. Flash flooding not only created travel problems, but took the lives of 4 people that holiday weekend.
