Multiple thunderstorms with heavy rain moved across Jefferson and Bullitt counties through the late afternoon hours. In Jefferson county, Interstate 65 was flooded near downtown Louisville, and many roads were closed due to high water. In the Fairdale area, evacuations were required due to the flooding of homes. Four people required shelter. In Bullitt county, several roads were flooded and had many cars stalled in them due to the high water. Rainfall total for the day at the National Weather Service Forecast Office in Louisville was 4.60 inches.
