## Storm Data and Unusual Weather Phenomena

November 1997

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Number of Persons		Estimated Damage		Character of Storm
					Killed	Injured	Property	Crops	

### NORTH DAKOTA, Central and West

#### Stutsman County

1 S Spiritwood

**04 1830CST** **1** **1** **15K** **Freezing Drizzle**

Freezing drizzle made bridges and overpasses extremely slick. The deceased's Jeep hit an icy overpass on the Spiritwood interchange on I-94. The Jeep rolled numerous times down the embankment. The passenger was also injured in the accident. M49VE

#### Burleigh County

2 E Mc Kenzie

**20 1800CST** **1** **12** **20K** **Freezing Drizzle**

Freezing drizzle fell across parts of South Central North Dakota most of the afternoon. The deceased was driving a pickup eastbound on I-94 when he lost control of the vehicle and crossed them median hitting a suburban head on. All 8 people in the suburban suffered minor injuries. The deceased's wife was also injured. Within a 6 mile stretch of I-94 that included this accident, there were 2 other accidents all within 10 minutes of each other resulting in 3 minor injuries. Traffic speeds were reported to be around 20 mph during the time of the accidents. M76VE

#### Mckenzie County

18 N Mandaree

**27 1930CST** **1** **3** **15K** **Frost**

Frosty roads were the blame for this accident. A pickup lost control on the slick roads and hit the deceased's van head on. The driver of the pickup was injured as well as 2 passengers in the van. M53VE
