OKLAHOMA, Western, Central and Southeast

(OK-Z038) COMANCHE

11/24/09 01:45 CST	0	High Wind (MAX 50 kt)
11/24/09 01:45 CST	0	

A cold front moved through Oklahoma during the late evening hours of the 23rd, and the early morning hours of the 24th. Gusty north winds developed behind the front. Most of the winds remained below severe limits, but a measured gust of 58 mph was reported west of Medicine Park. This is the only severe wind reported, but winds remained gusty for a couple of hours. No damage was reported.
